The services are made available through their own network, subcontractors or partners.

They are subject to legislation in force as well as the General Conditions of Transport published on the company's website and displayed in all headquarters of the company. This annex is part of the service contract, assimilating in its entirety its conditions. More details on the services and tariffs TCE, you can get by consulting the company's website - www.tceholding.ro

The fulfillment service is not provided by the TCE independent of the delivery service and is limited by restriction mentioned on Service Limitation. For quantities, dimensions or weights that exceed these limits or do not fit into the ecommerce activity (fulfillment + delivery) you can address our colleagues in the storage company or send details for for a personalized price quotation offered by the TCE storage service.

For more details or service contract please contact us by email efulfill@tceholding.ro.
